We are hoping to build pools of players in each calendar year age group. Players will train under the direction of the Academy staff composed of many of the top coaches in the area.

Academy Travel Teams: All Star travel teams will be selected from the academy pools at different times of the year to participate in tournaments and friendly games here in Utah and the surrounding western states. Additional fees will apply to cover travel expenses.

Players also have a chance to be selected to attend and represent Utah at the US Soccer Region IV camp this summer. Last summer 18 players from Southern Utah were selected.
